

Copper Kettle

By: Al.F. Beddoe

Get you a copper kettle
Get you a copper coil
Cover with new made corn mash
And never more you'll toil

You just lay there by the juniper
While the moon is bright
Watch them jugs a-fillin
In the pale moonlight

My daddy he made whiskey
My granddaddy did too
We ain't paid no whiskey tax
Since Seventeen Ninety Two

We just lay there by the juniper...

Build your fire of hickory
Hickory or ash or oak
Don't use no green or rotten wood
They'll get you by the smoke

While you lay there by the juniper...

Get you a copper kettle
Get you a copper coil
Cover with new made corn mash
And never more you'll toil

You just lay there by the juniper...
