

## **eternities**

once I am in love  
it is made to last forever  
honesty  
devotion  
faithfulness  
the whole range

once it breaks down  
all the universe breaks down on me  
loss  
deceit  
abandon  
the whole range

so, after  
a certain number of eternities  
someone within me says  
never more

I say: yeah, right. but  
wouldn't that mean  
just another kind of  
eternity?
