

**please**

give me  
the pearl  
that you wear  
in your hands  
silver white

give me  
the pearl  
ere it breaks  
but  
watch out  
don't  
let it slip  
and fall  
comes one  
treads it down

give me  
your pearl  
give me  
the one  
the one in a million  
pearl
