

## **renaissance man**

saw a film last night  
'renaissance man' with denny devito  
on flight lh462 from fra to mia  
(one-way ticket)

there will be lots  
& lots of spectators  
to watch this movie or others in  
the most different places  
and lots & lots of passengers  
traveling from fra to mia  
or from other originations  
to other destinations

so, what the heck –

it's just because of  
the damned good feeling  
I had  
watching denny devito as  
the renaissance man  
on my one-way flight  
from fra to mia
