

## **the most beautiful woman**

the most beautiful woman  
I saw today  
held a child (appr. 3 years old,  
male)  
on her left hand, who  
bit into a hot dog  
squeezing out ketchup and mustard  
which spattered a shitty brown pattern  
to the front of his shirt (white w/blue dots  
curled collar, bottom open)  
the child meanwhile  
did not stop  
but continued to chew  
swallow bite blotch and spatter  
and  
doing so  
he held on his right hand  
the most beautiful woman  
I saw today
