

Silently the morning mist is lying on the water
Captive moonlight waiting for the dawn
Softly like a baby's breath a breeze begins to whisper
The sun is coming, quick you must be gone
Smiling like a superstar the morning comes in singing
The promise of another sunny day
And all the flowers open up to gather in the sunshine
I do believe that summer's here to stay

Do you care what's happening around you?
Do your senses know the changes when they come?
Can you feel yourself reflected in the seasons?
Can you understand the need to carry on?

Riding on the tapestry of all there is to see
So many things in oh so many ways
Rejoicing in the differences, there's no one just like me
Yet as different as we are we're still the same

And oh I love the life within me
I feel part of everything I see
And oh I love the life around me
A part of everything is here with me
