

When first, I came to Louisville
Some pleasure there to find
A damsel there from Lexington
Was pleasing to my mind

Her rosy cheeks, her ruby lips
Like arrows pierced my breast
And the name she bore was Flora
'The Lily Of The West'

I courted lovely Flora
Some pleasure there to find
She turned unto another man
Which sore distressed my mind

She robbed me of my liberty
Deprived me of my rest
Still I love my faithless Flora
'The Lily Of The West'

Down in yonder shady grove
A man of high degree
Conversing with my Flora there
It seemed so strange to me

And the answer that she gave to him
It sure did me oppress
I was betrayed by Flora
'The Lily Of The West'

I stepped up to my rival
My dagger in my hand
I seized him by the collar
And I boldly made him stand

Being mad to desperation
I pierced him in the breast
All for my lovely Flora
'The Lily Of The West'

I had to stand my trial
I had to make my plea
They placed me in the criminal box
And then commenced on me

Although she swore my life away
Deprived me of my rest
And I still love my faithless Flora
'The Lily Of The West'
